Description of the Option request

The SFA seeks approval under the Option provisions found in section 12(l) of the Richard B. Russell National School Lunch Act (42 U.S.C. 12(l)) to operate a Seamless Summer Feeding Option in specific locations within its jurisdiction (referred to as *Option sites*). Option sites may be schools or other locations where the Summer Food Service Program (SFSP) meals would normally be served. Option sites must be located in needy areas, that is, where 50 percent or more of the children qualify for free or reduced price school meals, **with one exception**. Option sites may also be located in non-needy areas, provided that at least 50 percent of the children enrolled in these sites qualify for free or reduced price school meals.

The Option combines features of the National School Lunch Program (NSLP), the School Breakfast Program (SBP), and the SFSP. The purpose of this Option is to feed children in low-income areas during the summer months (or during extended breaks of a year-round school schedule). This Option reduces paperwork and administrative burden that is normally associated with operating all three programs. To accomplish this, the SFA requests a Option of significant portions of the SFSP Federal regulations at 7 CFR Part 225. Specific provisions to be waived are included in this request. In lieu of SFSP regulations that are waived, the SFA will follow corresponding requirements, where applicable, in the NSLP and SBP regulations at 7 CFR Part 210 and 220, respectively.

Special Provisions of the Seamless Summer Option

The SFA is committed to serving meals to the children in the community during the summer months (or in year-round school communities, at other times during the year when SFSP meals can be served) where the Option sites are located and will adhere to the following special provisions:

1. General Program Administration and Sponsor Responsibilities:

As required in §225.14(c)(1) of the SFSP regulations, the SFA demonstrates financial and administrative capability for Program operations and accepts final financial and administrative responsibility for total Program operations at all sites.

2. Site Eligibility:

Option sites will be located in needy areas, that is, where 50 percent or more of the children qualify for free or reduced price school meals. All of these sites will be open to the community, except in some cases, participation at an open site may be limited for reasons of safety, security, or control. (Include this sentence if Option sites will be located in non-needy areas: However, some Option sites will also be located in non-needy areas in which at least 50 percent of the enrolled children qualify for free or reduced price school meals.) None of these Option sites are residential camps. No additional sites will operate under these Option procedures without first receiving approval from the FNS Regional Office.

Schools operating under a traditional school calendar may operate Option sites during the summer months when summer school is in session, provided that all Option sites are open to all children (see item 3 below) in the eligible area; these meals will be reimbursed at the free NSLP/SBP rates. However, summer school only sites must operate under the NSLP/SBP and will be reimbursed at the free, reduced price, or paid rates.

Year-round schools may operate Option sites for off-track students, provided that the sites are open to all children in the eligible area; these meals will be reimbursed at the free NSLP/SBP rates. However, meals for on-track students in year-round schools will be reimbursed at the free, reduced price, or paid rates for NSLP/SBP.

3. Participant Eligibility

All persons meeting the definition of *Children* in the SFSP Federal regulations at §225.2 may receive meals at Option sites, on a first-come, first-served basis. This includes all persons in the community who are 18 years of age and under (and as defined at §225.2, those persons over age 18 who meet the State agency definition of mentally or physically disabled persons).

4. Meal Service

The SFA will follow NSLP meal service requirements for lunch or snacks (§210.10) and SBP meal service requirements (§220.8) for breakfast, *except*:

The number and types of meals will comply with the SFSP requirements at §225.16(b) and meals at approved Option sites will be served free to all children in accordance with §225.6(e)(4) of the SFSP regulations.

Consistent with these SFSP regulatory provisions and State agency approval, the SFA will serve one or two meals at no charge, including: breakfast, lunch, snack, or supper. However, the SFA will not claim both lunch and supper meals at the same site on the same day.

Consistent with the NSLP and SBP regulations and instructions, the following provisions will apply to meal service at Option sites:

The NSLP and SBP meal requirements will be used.

- Second meals are not reimbursable and will not be claimed.
- Production and menu records will be maintained that show compliance with the meal requirements.
- The designated lunch period will be between the hours of 10 a.m. and 2 p.m., unless otherwise exempted by FNS.
- At its option, the SFA may allow offer versus serve meals at the Option sites.
- Off-site consumption of meals will not be allowed, except as part of a scheduled event such as a planned field trip.

5. Claims and Reimbursements

The SFA will claim meals at the “free” rates prescribed by USDA for the NSLP (including snacks) and SBP. The State agency will include these meals under the free category for each type of meal, based on the NSLP regulations at §210.8 and/or the SBP regulations at §220.11, using the Form FNS-10, Report of School Program Operations. For evaluation purposes, the State agency will report to FNS the total number of meals served at Option sites, using the remarks section (item 18) on the FNS-10. All lunches and suppers will receive the standard commodity support rate available for the NSLP.

6. Monitoring

The SFA will review the meal counting, claiming, and meal pattern compliance for each Option site within three weeks of the start of operations. Additionally the SFA will follow the requirements for site monitoring at §210.8 of the NSLP regulations.

Edit Checks

Regarding the requirement at §210.8(a)(3) for SFA edit checks of the meal count prior to submission of a claim for reimbursement, FNS will provide further guidance in the near future.

7. Additional Reporting/Reviews/Evaluation

State agency Oversight

The State agency will include Option sites operated under this Option in the management review requirements described at §210.18 of the NSLP regulations. If a CRE is conducted of the SFA, at least one Option site will be visited while it is in operation. FNS will provide additional CRE guidance.

FNS Evaluation

FNS reserves the right to conduct an evaluation of these Option sites. The evaluation may include periodic special reviews. The State agency and the SFA agree to cooperate as necessary, including making all applicable records and operations available for review.

Additional Reports

FNS may request additional information for evaluation purposes. In the event that additional information on Option site operation is required, FNS will allow sufficient time for the State agency and the SFA to comply with the request. The State agency and the SFA agree to comply with FNS' requests for additional information for evaluation purposes.
